IMPORTANT SAFETY NOTES

- Do not use device in areas where flammable gases or fumes are present.
- Do not expose device to water or other sources of moisture. Device contains an internal lithium ion battery.
- Do not expose device to extreme temperatures. Extreme temperatures will shorten the battery's life span.
- Use only the supplied micro USB charging cable to charge device . Using other USB chargers may overcharge the internal battery and shorten the battery's lifespan.
- Do not attempt to disassemble device, modify or replace the internal battery. Doing so will void your warranty.
- Refrain from dropping device as this may damage the device

TROUBLESHOOTING

Issue: *Bluetooth cannot pair.*

Try: Make sure Bluetooth on smartphone is turned on, then search for devices and connect.

Try: Fully charge your Audio+ Clip and then repeat Bluetooth pairing sequence.

Issue: *NFC mobile pairing invalid or failed.*

Try: Make sure NFC is open on smartphone.

Try: Verify that Audio+ Clip NFC is in pairing mode, if smartphone and Audio+ Clip are being paired for the first time.

Try: Make sure Audio+ Clip and smartphone induction areas are zero-distance from one another while pairing.
